WE AIM TO MAKE DOING GOOD
EASY, FUN AND FREE.

This organisation helps you get started with helping/ volunteering making a difference.

About The Project

Reshomile Primary School in Diepsloot gives all the students a meal for lunch at the school.

Mostly this will be the only meal some children receives in a day.

The school rely on food donations in order to make lunch for the kids.

The Gift of Joy would like to ensure that the school has a year round supply of fresh vegetables thus ensuring the kids receive a nutritious meal.

This organisation is involved in projects and campaigns for a greener South Africa.
